Background

- Partnered with Junior Achievement of Arizona
- They are a Non-Profit whose mission is to teach kids to succeed in work and life

Context

Context

- 93,826 students from 384 schools in Arizona recieved JA education last year

Team 17

Problem

- 9,500 volunteer mentors teach to JA students each year
- Difficult to find volunteer opportunities for specific interests

Team 17

Solution

- Create a mobile app to filter all the opportunities available to them
- Created a database the app pulls from to help with the filtration
